34. Exceptionally, cheques may be drawn by the RFO and signed as required in paragraph 38 outside a meeting. Such payments may only be made when delay in settling the account is not in the Council's interest (such as when payment is necessary to avoid a charge to interest under the Late Payment of Commercial Debts (interest) Act 1998, and the due date for payment is before the next scheduled meeting of the Council) and where the payment including the amount has already been approved by Council at a meeting. 56. The Council shall not be obliged to accept the lowest quotation but must state the reasons for choosing a higher quotation.
